The screenshot shows a web browser window with the URL <https://www.watchteverywhere.com/index.php?is=blank&stop=1>. The browser's address bar and menu bar are visible. The website content features the logo "watchTVeverywhere" in a stylized font. Below the logo, there is a prompt "select your tv provider" followed by a dropdown menu currently showing "select your tv provider". A large text block below reads "on your mobile devices, on your home pc and everywhere". The main content area is a grid of six category tiles: "movies" (a couple embracing), "news" (a female news anchor), "drama" (a close-up of a woman's face), "kids" (a superhero character), "sports" (American football players), and "action" (a person in a dynamic pose). At the bottom of the page, there is a small copyright notice: "©2016 MCTV All rights reserved. This website may contain links to adult content. watchTVeverywhere brought to you by MCTV.
